Please accept this letter as notice of my resignation from my position as Desktop Technician II. I expect the last day of employment to be Friday June 1st 2018.

I received an offer to serve as an IT Engineer at another company, and after careful consideration, I realize that this opportunity is too exciting for me to decline.

It has been a pleasure working with you and the team over the last two years. I would like to help with the transition of my duties so that systems and processes continue to function smoothly after my departure. I am available to help as needed to make certain that everyone is up to speed before my last day of work.

Thank you again for the opportunity to work for Credit One Bank. I wish you both and our small team all the best and I look forward to staying in touch. Please email me anytime at rpret@gmail.com or call me at 702-403-0999.

Sincerely,
Ralph Preta
